

2023 Midwest Scroll Saw & Woodworking Trade Show Friday, August 4 and Saturday, August 5, 2023

We have a nice variety of classes for you to learn new skills or polish your existing skills. Pre-registration is recommended to reserve your seat in the class you want. Please mail or call your registrations in by July 14, 2023 to The Art Factory, PO Box 701, Platteville WI 53818 or call 608-348-8332. Payable by check (made out to The Art Factory) or credit/debit card (a \$5 convenience fee will be added to card transactions). After July 14, you can still sign up for classes when you come into the show as long as they have not reached the enrollment size limit.

Schedule of Classes for Friday, August 4, 2023

Friday 10:00am-12 noon Chip Carving for Beginners

Presented by Rick Bartels from Wisconsin. Rick will provide a background in chip carving basic techniques and safety. You will be able to practice the basic skills on a project that you will then take home with you. Knives, wood and a carving glove will be provided—all you need to bring is an eagerness to learn!

Cost per person \$25

Class size limit 10

Friday 11:30am-1:00pm Scroll Saw Basics

Presented by Tom Taylor from Ohio. Tom will discuss blade selection for various projects and wood types. He will include information on spiral and straight blades and when each one is best suited for a particular purpose. He will give basic information on scroll saws as well as talk about applying patterns to wood and how to get started cutting. He will also address the ethics of using patterns and how copyright rules work.

Cost per person \$15

Class size limit 20

Friday 1:30pm-3:00pm Jewelry Making With a Scroll Saw

Presented by Barbara Raymond-LaPrease from New York. Barbara states that a scroll saw is an excellent tool for creating jewelry and will produce a one-of-a kind product. In this class she will discuss patterns, blades, sizing materials and assembly supplies. She will talk about how to address issues and challenges that may be faced. Samples of different types of jewelry will be on display for attendees to view.

Cost per person \$15

Class size limit 20

Friday 2:30pm-4:30pm 3-D Carving for Beginners

Presented by Rick Bartels from Wisconsin. This is a make and take class. Rick will be working with the class on making a carved paintbrush. He will show techniques using a carving knife and v-tool. Wood, tools and a carving glove will be provided. Younger carvers, ages 10-16, will be welcome in this class if accompanied by a supervising adult.

Cost per person \$25

Class size limit 10

Friday Classes continued on next page

Friday classes continued:

Friday 3:30pm-5:00pm Using Jigs in Woodworking

Presented by Mark Kitto from South Dakota. Mark will discuss how to use jigs and fixtures to make your woodworking easier and more accurate. He will help you find resources for existing jig and fixture designs and talk about how to make your own.

Cost per person \$15

Class size limit 20

Schedule of Classes for Saturday, August 5, 2023

Saturday 9:30am-11:00am Intarsia Basics

Presented by Don Lorenz from Wisconsin. Don will talk you through the steps of completing an intarsia project from start to finish. He will provide information on pattern and video resources. There will be discussion on various tools and material required for sanding, shaping and adding texture.

Cost per person \$15

Class size limit 20

Saturday 9:30am-11:30am Band Saw Projects

Presented by Mark Kitto from South Dakota. Mark will provide a discussion on band saw use, safety and tuning. Students will learn how to design and make band saw boxes. Mark will talk about different styles, materials and construction methods. A precut band saw box will be assembled by each student and will go home with them after class.

Cost per person \$30

Class size limit 15

Saturday 11:30am-1:00pm Puzzle Making

Presented by Barbara Raymond-LaPrease from New York. Barbara will talk about the different types of puzzles and address concerns with each type. She will go over materials, blades and finishing. She will also discuss other accessories to use when making puzzles. Many different samples will be available in each category of puzzles, including puzzles for different age groups of kids and for adults.

Cost per person \$15

Class size limit 20

Saturday 12:30pm-2:30 pm Chip Carving—Next Level

Presented by Rick Bartels from Wisconsin. This class is for beyond beginners. Rick will present additional instructions and tips for taking your chip carving to the next level. Knives, wood and a carving glove will be provided, for making a take home project. Just bring your enthusiasm to learn more about this art form.

Cost per person \$25

Class size limit 10

Saturday 1:30pm-3:00pm Adding Color to Scroll Saw Projects

Presented by Tom Taylor from Ohio. Bring your cuts to life with oils, stains, paints and finishing. Tom will discuss adding color and shading to add a new dimension to your scroll saw projects. He will then show you how to add a mat and frame to pull it all together!

Cost per person \$15

Class size limit 20
