Dear Friends,

Please join us for the Midwest Scroll Saw & Woodworking Trade Show in Dubuque, Iowa, on August 7th and 8th, 2026. We are proud to continue the tradition started by Joe and Sarah Diveley in 1997, providing a welcoming place for woodworkers of all disciplines to gather, share their passion, and celebrate the craft.

Our trade show is known for its strong sense of community. Many attendees return each year to reconnect and enjoy what feels like a woodworking family reunion. Vendors also become part of this extended family, sharing in the camaraderie and mutual support that makes our event special.

Booths are available at a reasonable rate of \$145.00 for a 10' x 10' space, which includes pipe and drape, a skirted table with covering, and chairs. Extra tables are available for \$15.00 each. The venue offers easy access for unloading and loading, and free WiFi is available.

Our attendees are interested in all aspects of woodworking. They seek vendors offering hand and power tools, finishing supplies, saws and sanding equipment, hardware, fasteners, air filtration systems, patterns, books, clock parts, lumber, project kits, and any other products or materials that help them complete their projects. We encourage vendors to showcase not only tools and supplies but also finished pieces and unique creations. Customers appreciate the chance to see, touch, and discuss products in person with knowledgeable vendors. Demonstrations and face-to-face conversations are beneficial, as they foster stronger personal connections between businesses and customers.

Food will be available on-site during the show. On Friday evening, we host a popular dinner for attendees and vendors—a wonderful opportunity to get to know each other better. An RSVP is appreciated; menu, cost, and details will be posted on our website when available.

Whether or not you can join us in person, you can participate by providing items for door prizes or one of the grand prizes. Please label all donated items with your company name and include a catalog or other promotional material. We want attendees to know you support the show—a great way to promote your business and inspire enthusiasm for woodworking.

Vendor application forms and additional show details are available on our website: [www.midwesttradeshow.com](http://www.midwesttradeshow.com) For questions, contact Karen at [dirkdraws2@gmail.com](mailto:dirkdraws2@gmail.com).
